

EAMCET CODE: MIPK

MOHAMMADIYA INSTITUTE OF PHARMACY

BIG IDEAS THAT SAVE LIVES.

Opportunities in the pharmaceutical and consumer product industries have created a demand for qualified individuals with specialized skills.

India is emerging to be global leader in Pharmaceutical technology. The quality of medicines manufactured in India is proven to be of world class standards and many Indian Pharmaceutical companies have taken a lead to capture world pharmaceutical market. There is a burgeoning demand for professional and competent pharmacists in the areas of Manufacturing, Research and Development, Quality Assurance and Marketing. And we at Mohammadiya College of Pharmacy are proud to have world class infrastructure, laboratories, and equipment which are grooming students into highly qualified, dedicated and professional pharmacists. We are continuously working to improve the concept of Pharma education in today's global era with an aim to serve humanity better.

S.A.Pasha
Chairman

Mohammadiya Institute of Pharmacy is established in the year 2006-2007 with an aim to generate competent and committed Pharmaceutical human resources to meet the Domestic and International requirements to cater to the dynamic & challenging needs of the Healthcare system for effective Pharmaceutical care. We strive to provide high quality Pharmaceutical education blended with the concept of Pharmaceutical ethics so as to mould the conduct & character of future healthcare professionals through the process of CQI & upgradation knowledge through optimum use of available tools of knowledge resources. The College aims to become a unique and prestigious multicultural hub of higher learning in Pharmaceutical sciences and technology, offering state-of-the-art multidisciplinary programs and cutting-edge research in partnership with industry for sustainable growth of the region.

The campus is located on the state highway from Khammam to Warangal in Arempula at the Ninth K.M Milestone before Khammam. The campus is built on a sprawling campus of 36 acres and the cool breeze wafting through the lush, ornate and green fields make the campus a pleasant and conducive place for the pursuit of Education.
