

EAMCET CODE: MITK

# MOHAMMADIYA INSTITUTE OF TECHNOLOGY

BIG IDEAS. BIG POSSIBILITIES.

“We at the Mohammadiya Institute of Technology are creative problem-solvers, innovators, inventors, and entrepreneurs who enhance the quality of life. Fueled by the passion of our students to innovate, our faculty and friends are together developing and improving upon technologies in the realm of Alternative Energy, Green Engineering, New Materials, Integrated Defense Systems, Homeland Security, Urban Infrastructure and Interdisciplinary Approaches to Health and Computer Sciences in Research, Development, Medicine, Electrical and Electronics Engineering.”

**S.A.Pasha**  
Chairman

## Creating, Inventing, and working in teams. Shaping the world in which we live.

The Mohammadiya Institute of Technology (MIT) blossomed out as one of the well-equipped Engineering College right from its inception in 2009 with four major engineering branches. This institution was established to provide qualitative and fruitful engineering education to the students by laying emphasis on modernised teaching and training, by forging strong partnerships with industry leaders for enhanced training and placement support. It is also the noble objective of this institution to make the students realise and adopt in their life, the values of discipline and the invaluable human virtues. MIT is situated along Khammam-Warangal Highway at Arempula, and 10 Kms East of Khammam City. The campus is built on a sprawling campus of 36 acres. The cool breeze wafting through the lush, ornate and green fields make the campus a pleasant and conducive place for the pursuit of Education.

At MIT you have the chance to change things for the better by studying to become part of an industry that constantly challenges the way things were in order to make a better world for all of us. Engineering is about change and development, be it in the world of medicine, sport, leisure, or wherever; it does not matter, engineers are constantly striving to make the world a better, safer, more comfortable and enjoyable place in which to live. We can offer you a course with communication & personality development that will allow you to develop your skills and abilities so that, at whatever level, if you like a challenge you can get out there and be part of that change. We hope to see you on the Campus soon!

## Student resources

**Resource Centers-** Various cells for students and faculty empowerment, viz., HRD Cell, ED Cell, Women Empowerment Cell, Yoga Club, Industry-Institution Interaction Cell, Research Forum, Higher Education Cell, students counseling and guidance Cell, NSS, Social Service Cell, ISTE staff & students Chapters, Student-centered Skill Development Programmes, Communication Skills, Coaching for Higher Education.

**Sports and Cultural Activities** have been one of the important foci of MIT endeavour to facilitate all-round development of students' physical and mental abilities. Every year, an Annual Social Meet is organized in the Colleges where along with cultural activities indoor and outdoor sports are organized.

**Other Facilities-** Separate hostel for boys and girls with high security, hygienic vegetarian & non-vegetarian food, 24 hour mineral water & power supply across the campus with generator back-up Subscription to Newspapers, Reading Rooms, Separate Computer center with internet facility and Photocopier/Xerox facility available.

**Library, Laboratories-** Fully computerized, the library is equipped with thousands of volumes of books (National, International and e-journals) apart from special digital library stacked with exclusive e-learning CDs. Our state of the art computer lab with imported High configuration-Computers etc., Spacious Well designed Infrastructures, Workshop Laboratories with state of the art equipments which get upgraded continuously.

**Students' Discipline-** Each student with respect to his/her work in the course in any Specialization as well as his/her general conduct in the Campus, shall remain under the control of the respective Department and shall be guided by the disciplinary code of the MIT. The College has adopted a No Ragging Policy.

## Institute of Technology Programmes/Majors

### Course/Programme

Bachelor of Technology (B.TECH)

### Duration

4 Years / 8 semesters

### Majors/ Branches/ Seats

Computer Science & Engineering (CSE) - 60

Electronics & Communication Engg (ECE) - 120

Electrical & Electronics Engg (EEE) - 60

Mechanical Engineering (ME) - 120

### Examinations/Final award presented

JNT University, Hyderabad

### Recognitions

Affiliated to JNT University, Hyderabad

Approved by AICTE, New Delhi

Recognized by Government/ Ministry of HRD A.P./India.

## Mohammadiya Educational Society

### Other Institutions & Courses

#### Mohammadiya Institute of Pharmacy (EAMCET CODE-MIPK)

Approved by AICTE, New Delhi, Affiliated to KU, Warangal

B.PHARM-120

#### Mohammadiya Institute of Management (ICET CODE-MIMK)

Approved by AICTE, New Delhi, Affiliated to KU, Warangal

MBA-180

#### Mohammadiya Institute of Computer Tech. (ICET CODE-MICT)

Approved by AICTE, New Delhi, Affiliated to KU, Warangal

MCA-120 | MBA-60

#### M.E.S. College of Education (EDCET CODE-MESK)

Approved by NCTE, New Delhi, Affiliated to KU, Warangal

B.ED.-100

Estd. 2002
